## CANADA MEDALS.

*All very fine.*

This is, I believe, the largest and altogether the most important assortment of Canadian Medals and Coins ever offered in the United States. As a guide to collectors, I have referred to Mr. Alfred Sandham's book, "Coins of Canada," and to which the number of each Medal or Coin will be attached.

## COPPER MEDALS.

*All fine, unless otherwise described.*

			SIZE.

25	1143	Another, Copper gilt. The same in all respects. Mr. S. calls the reverse of this No 1; it should be No. 2. (S. No. 3)	26
50	1144	"Georgius II. Rex., head to left." Rev. Same as the above <i>obverse</i> . (S. No. 5)	26
50	1145	Ob. A Globe—a soldier and sailor pointing to the word, Canada, and below is "Ameriea" further down on the globe—above, Fame blowing a trumpet; below, prostrate figure of France. Rev. Naval scene, "Louisbourg taken, MDCCLVII." A rare medal. (S. No. 6)	26
50	1146	Ob. "O, Fair Britannia, Hail," head to left. Rev. Victory marching, &c. Same inscription as preceding. Very rare. (S. No. 7)	25

	N. B.—Mr. Sandham says these last two medals were engraved by J. S. Wyon, of London, for the Lower Canada Board of Arts, and after an account of the object for striking them, concludes by saying that as there were only sufficient issued for the exhibitors who were entitled to them, and therefore can only be found in the possession of others by having purchased them of exhibitors who did not value them, they must both, consequently, be very rare.		
1.75	1154	Ob. "H. R. H. The Prince of Wales." Head almost fronting; rev. a view of "Victoria Bridge, Montreal, opened by the Prince of Wales, 1860." (S. No. 19)	26

These tokens have never been issued, as on their arrival (Mr. Sandham informs us) in Canada, from Birmingham, they were seized by the authorities, the new Currency Act forbidding the manufacture or importation of coins or tokens.
